SECTION 1 – INTRODUCTION

1.1 - CODE OF ETHICS

Surge365Global Division (hereinafter referred to as "Surge365" or "the Company") is a values-based Company that prides itself on the quality and character of its Surge365 Global Division Business Associates (hereinafter referred to as "SBA"). The following guidelines help ensure a uniform standard of excellence throughout our organization. Every Surge365 Global Division SBA is expected to practice the following ethical behavior when acting in the name of the Company:

_ I will be courteous, respectful, honest and fair in all my dealings while acting as an SBA and I will perform my business activities in a manner that will enhance my reputation and the positive reputation of the Company.

I will not make discouraging or disparaging claims toward other Surge365 SBAs. I will ensure that in all Surge365 dealings I will refrain from engaging in negative language. I will refrain from making any type of slanderous statements.

I will not engage in any deceptive or illegal practice.

I will make no claim for products, services or business positions of the Company except as contained in official literature of the Company.

I will correctly represent all the bonus/compensation plans available through Surge 365Global Division and the income potential represented therein. I understand I may not use my own income as an indication of others' potential success, or use compensation checks as marketing materials. It is impossible to predict SBA incomes. The success of a SBA depends on many variables, such as amount of time and effort committed to his/her business and his/her organizational abilities.

I further understand that I may only disclose my Surge365 income to recruit potential SBA(s) after I have given a copy of the Income Disclosure Statement to the potential SBA(s).

I understand and agree that I am solely responsible for all financial and/or legal obligations incurred by me in the course of my business as an SBA including self-employment taxes, income taxes, sales taxes, license fees, etc. I understand that I am an independent contractor for all legal purposes.

1.2 - POLICIES INCORPORATED INTO AGREEMENT

These Policies and Procedures, in their present form and as amended at the sole discretion of the Company, are incorporated into, and form an integral part of the Company's Agreement with its SBAs. Throughout these Policies, when the term "Agreement" is used, it collectively refers to the Company's SBA Application and Agreement, these Policies and Procedures, the Company's Terms and Conditions, the Company's general Compensation Plan, and the Company's Business Entity Registration Form (if applicable). These documents are incorporated by reference into the Company's SBA Agreement (all in their current form and as amended by the Company from 6 to 6 months at its sole discretion). It is the responsibility of each SBA to read, understand, adhere to, and ensure that he or she is aware of and operating under the most current version of the Agreement.

1.3- PURPOSE OF POLICIES

The Company is involved in direct sales, marketing its products and services through SBAs. To clearly define the relationship existing between SBAs and the Company, the Company has established the Agreement. The Company's SBAs are required to comply with all of the Policies and Procedures set forth in the Agreement, as well as all federal, provincial, state, and local laws governing their business and their conduct. Please review the information in this Agreement carefully. It explains and governs the relationship between you, as an independent contractor, and the Company. If you have any questions regarding any policy or rule, do not hesitate to seek an answer from the Company.

1.4- CHANGES TO THE AGREEMENT

Because federal, provincial, state, and local laws, as well as the business environment, periodically change, the Company reserves the right to amend the Agreement and its prices at

its sole and absolute discretion. By signing the Application and Agreement, the SBA agrees to abide by all amendments that the Company elects to make. Amendments shall be effective upon notice to all SBAs that the Agreement has been modified. The Company shall provide or make available to all SBAs a complete copy of the amended provisions by one or more of the following methods: (1) posting on the Company's official web site via the Surge365 Global back office; (2) electronic mail (e-mail); (3) inclusion in Company periodicals; (4) inclusion in product orders or bonus check mailings; or (5) special mailings. The continuation of a SBA's Surge365 Global business or a SBA's acceptance of bonuses or commissions constitutes acceptance of any and all amendments.

1.5- DELAYS

The Company shall not be responsible for delays or failures in performance of its obligations when performance is made commercially impracticable due to circumstances beyond its reasonable control. This includes, without limitation, strikes, labor difficulties, riot, war, fire, death, curtailment of a party's source of supply, telecommunications failure or government decrees or orders.

1.6- POLICIES AND PROVISIONS

If any provision of the Agreement, in its current form or as may be amended, is found to be invalid or unenforceable for any reason, only the invalid portion of the provision shall be severed and the remaining terms and provisions shall remain in full force and effect. The severed provision, or portion thereof, shall be reformed to reflect the purpose of the provision as closely as possible.

1.7- WAIVER

The Company never gives up its rights to insist on compliance with the Agreement and with the applicable laws governing the conduct of a business. No failure of the Company to exercise any right or power under the Agreement or to insist upon strict compliance by an SBA with any obligation or provision of the Agreement, and no custom or practice of the parties at variance with the terms of the Agreement, shall constitute a waiver of the Company's right to demand exact compliance with the Agreement. Waiver by the Company can be effectuated only in writing by an authorized officer of the respective Company. The Company's waiver of any particular breach by a SBA shall not affect or impair the Company's rights with respect to any subsequent breach, nor shall it affect in any way the rights or obligations of any other SBA. No delay or omission by the Company to exercise any right arising from a breach shall affect or impair the Company's rights as to that or any subsequent breach. The existence of any claim or cause of action of an SBA against the Company shall not constitute a defense to the Company's enforcement of any term or provision of the Agreement.

SECTION 3 - OPERATING YOUR BUSINESS

3.1 - ADHERENCE TO THE COMPANY'S COMPENSATION PLAN

SBA's must adhere to the terms of the Company's Compensation Plan as set forth in the Company literature. SBA's shall not offer the Company's opportunity through, or in combination with, any other system, program, or method of marketing other than that specifically set forth in official Company literature. SBA's shall not require or encourage other current or prospective Surge365 Global SBA's or Vortex Owners to participate in the Company in any manner that varies from the program as set forth in official Company literature. SBA's shall not require or encourage other current or prospective Surge365 Global SBA's or Vortex Owners to execute any agreement or contract other than the official Company's agreements and contracts in order to become a Company SBA or Vortex Owner. Similarly, SBA's shall not require or encourage other current or prospective Surge365 Global SBA's, Vortex Owners or Customers to make any purchase from, or payment to, any individual or other entity to participate in the Company Compensation Plan other than those purchases or payments identified as recommended or required in the Company's official literature.

3.2 - ADVERTISING - GENERAL

All SBA's shall safeguard and promote the good reputation of the Company and its products and services. The marketing and promotion of the Company, the Company's opportunity, the Compensation Plan, and the Company's products and services, must be done by using official literature and sales aids produced by the Company which can be found in the Back Office. The rationale behind this requirement is simple: The Company has carefully designed its services, products, product labels, Compensation Plan, and promotional materials to ensure each aspect of the Company is fair, truthful, substantiated, and complies with the vast and complex legal requirements of federal and state laws. If the Company's SBA's were allowed to develop their own sales aids and promotional materials, notwithstanding their integrity and good intentions, there is likelihood they would unintentionally violate any number of statutes or regulations affecting the Company's business. Accordingly, SBA's must not produce their own literature, advertisements, sales aids, promotional materials, or Internet web pages. Company will limit purchases of any sales tools or aids to comply with the exemption requirements set forth in any specific area (where applicable). The Company does not permit SBA's to create side- businesses selling sales aids, business cards, Internet website or similar materials to other Surge365 Global SBA's or Vortex Owners of the Company. Additionally, the Company does not take responsibility for any products or services purchased from a third party vendor. Should you have materials you would like the Company to review please submit a sample via email to Compliance@Surge365.com. Furthermore, the initiation, participation in or recommendation of any prize offering, guarantee, drawing, raffle, advertising pool or co-op in furtherance of SBA's own or another person's SBA business, except as otherwise set forth in the Agreement is strictly prohibited. Additionally, you are prohibited from making direct, indirect or implied medical or

other claims regarding the prevention, treatment, cure or mitigation of any disease from the use of Company products. You may not:

- a) Make any Representation (oral, written or otherwise) about Company products which violate the provisions of this section of these Policies and Procedures.
- b) Discuss or make warranties, Representations or statements concerning Company products in a manner that violates the provisions of these Policies & Procedures.
- c) Use or distribute, for the purpose of marketing products or in promotion of the Compensation Plan, materials which violate the provisions of these Policies & Procedures.
- d) Re-label or in any manner alter the label of any Company product. Additionally, you must not repackage or refill Company products and must sell Company products in their original, unopened containers.
- e) Use third-party individuals, business entities and/ or organizations in any deceptive or misleading manner in connection with the promotion of SURGE365 products.

3.3 - INTERNET WEB SITES AND E-MAIL COMMUNICATIONS

No SBA may independently design or have designed a website using the names, logos, or product descriptions of the Company or otherwise promote (directly or indirectly) the Company's products or the Company's opportunity. An SBA may not use "blind" or "Help Wanted" ads (indicating a "job" or an "employment position") on the Internet whether or not they make product or income claims which are ultimately associated with the Company's products, the Company's opportunity, or the Company's Compensation Plan. The use of any other Internet website or web page (including without limitation auction sites such as eBay, MySpace, Facebook or craigslist) to promote the sale of the Company's products or services, the Company's opportunity, or the Compensation Plan is a breach of the Agreement and may result in any of the disciplinary sanctions set forth in Section 9.1.

3.4 - COMMUNICATIONS - UNSOLICITED E-MAIL

The Company may periodically send commercial emails to SBAs (e.g. weekly email newsletters or emails with information that applies to the conducting of business). By entering into the Agreement, SBA agrees to receive such emails, and may opt out or unsubscribe at any time by using the contact information included in every email. The Company does not permit SBAs to send unsolicited commercial e-mails unless such e-mails strictly comply with applicable laws and regulations including, without limitation, the Federal CAN SPAM Act. Any e-mail sent by an SBA that promotes the Company, the Company's opportunity, or the Company's products and services must comply with the following:

- a) There must be a functioning return e-mail address to the sender.
- b) There must be a notice in the e-mail advising the recipient that he or she may reply to the e-mail, via the functioning return e-mail address, to request that future e-mail solicitations or correspondence not be sent to him or her (a functioning "opt-out" notice).
- c) The e-mail must include the SBA's physical mailing address, (i.e. not a P.O. Box) and may not represent that the e-mail is originating from the Company or that the e-mail is signed by any employee or officer of the Company.
- d) The e-mail must clearly and conspicuously disclose that the message is a commercial advertisement or solicitation.

- e) The use of deceptive subject lines and/or false header information is prohibited.
- f) All opt-out requests, whether received by e-mail or regular mail, must be honored.
- g) SBAs shall not make offers or solicitations in the guise of research, surveys or informal communication, when the real intent is to sell products or services or register other SBAs or sell licenses.
- h) SBAs shall provide individual consumers the option to terminate any further communication between the SBA and the consumer and if any consumer requests an SBA cease communication, the SBA shall immediately stop communicating upon such request.
- i) SBAs must abide by all laws and regulations regarding electronic communications.
- j) SBAs may not distribute content by use of distribution lists or to any person who has not given specific permission to be included in such a process; spamming or distribution of chain letters or junk mail is not permitted.
- k) SBAs may not distribute content that (i) is unlawful, harassing, libelous, slanderous, abusive, threatening, harmful, vulgar, obscene or otherwise objectionable, (ii) could give rise to civil liability, (iii) violates any applicable local, state, federal or international law or regulation or (iv) describes the Company and any of its products and services in an inaccurate manner.
- l) SBAs may not, directly or indirectly, buy e-mail lists or send unsolicited e-mails to persons with whom he or she or their Associates have no prior or existing personal or business relationship. The Company may periodically send commercial e-mails on behalf of SBAs. By entering into the SBA Agreement, SBA agrees that the Company may send such e-mails and the SBA's physical and e-mail addresses will be included in such e-mails as outlined above. SBAs shall honor opt-out requests generated as a result of such e-mails sent by the Company.

3.5 - UNSOLICITED FAXES

Except as provided in this section, SBAs may not use or transmit unsolicited faxes or use an automatic telephone dialing system relative to the operation of their SBA business. The term "automatic telephone dialing system" means equipment which has the capacity to: (i) store or produce telephone numbers to be called, using a random or sequential number generator; and (ii) to dial such numbers. The term "unsolicited faxes" means the transmission via telephone or computer facsimile of any material or information advertising or promoting the Company, its products, the Compensation Plan or any other aspect of the Company which is transmitted to any person, except that these terms do not include a fax: (i) to any person with that person's prior express invitation or permission; or (ii) to any person with whom the SBA has an established business or personal relationship. The term "established business or personal relationship" means a prior or existing relationship formed by a voluntary two way communication between an SBA and a person, on the basis of: (i) an inquiry, application, purchase or transaction by the person regarding products offered by such SBA; or (ii) a personal or familial relationship, which relationship has not been previously terminated by either party.

3.6 - TELEMARKETING TECHNIQUES

Although the Company does not consider SBAs to be "telemarketers" in the traditional sense of the word, there may be government regulations that broadly define the term "telemarketer" and "telemarketing" so that an inadvertent action of calling someone whose telephone number is listed on the federal "do not call" registry could cause an SBA to violate the law (where

applicable). Moreover, these regulations must not be taken lightly, as they could carry significant penalties. Therefore, SBAs must not engage in telemarketing in the operation of their Company business. The term “telemarketing” means the placing of one or more telephone calls to an individual or entity to induce the purchase of the Company’s products or services, or to register them for the Company’s opportunity. “Cold calls” made to prospective Surge365 Global SBAs, Vortex Owners or Vortex Customers that promote either the Company’s products or services or the Company’s opportunity constitute telemarketing and are prohibited. However, a telephone call(s) placed to a prospective customer (a “prospect”) is permissible under the following situations:

- a) “relationship” is a relationship between an SBA and a prospect based on the prospect’s purchase, rental, or lease of goods or services from the SBA, or a financial transaction between the prospect and the SBA, within the eighteen (18) months immediately preceding the date of a telephone call to induce the prospect’s purchase of a product or service.
- b) The prospect’s personal inquiry or application to the SBA regarding a product or service offered by the Company, within the three (3) months immediately preceding the date of such a call.
- c) If the SBA receives written and signed permission from the prospect authorizing the SBA to call. The authorization must specify the telephone number(s) which the SBA is authorized to call.
- d) An SBA may call family members, personal friends, and acquaintances. An “acquaintance” is someone with whom an SBA has at least a recent first-hand relationship within the preceding three (3) months.

3.7 - BLOGS, CHAT ROOMS, SOCIAL NETWORKS/MEDIA, ONLINE AUCTIONS AND OTHER ONLINE FORUMS SBAs may use online forums (hereinafter referred to as Social Media) to share information about the Surge365 Global product, mission and business opportunity and for prospecting and sponsoring. Social Media is defined as any form of electronic communication through which SBAs create online communities to share information, ideas, personal messages and other content. Examples of Social Media include, but are not limited to discussion forums, blogs, Facebook, Twitter, LinkedIn, Craig’s List, Monster, Pinterest and YouTube. External website must not contain disingenuous popup ads or promotions or malicious code. Decisions and corrective actions in this area are at the sole discretion of the Company. When using Social Media, all Surge365 Global SBAs must adhere to all policies described in the Agreement including the below guidelines:

- a) Social Media outlets must be used to contribute to the value-based goals of Surge365 Global, to share expertise and to further awareness within our communities.
- b) SBAs must use Social Media in a positive way and may never post negative comments about Surge365 Global, its employees, other SBAs, Vortex Owners, Vortex Customers or other Direct Selling companies. SBAs must respect others and their viewpoints. Personal insults, discriminatory remarks, ethnic slurs, obscenity or other negative references are not acceptable and may be cause to legal penalty as well as disciplinary sanctions as set forth in Section 9.1.
- c) All SBAs are personally responsible for their own posts and all online activity related to Surge365 Global.
- d) SBAs may link to their replicated website within a post.

- e) SBAs may use the SBA logo provided in the Surge Back Office on Social Media sites as long as they are using authorized content.
- f) SBAs must adhere to the branding, trademark and image usage policies as described in this Agreement.
- g) SBAs must not post copyright photos without expressed consent from the owner. You may post, “pin” or repost photographs or videos provided through the Surge365 Global social media sites so long as the photo or video is not edited in any way. Descriptions of the photo or video must be in accordance with this Agreement.
- h) SBAs may not make any income claims unless in compliance with Section 3.19 “Income Disclosure Statement.” SBAs may not use Social Media to explain the Surge365 Global Comp Plan.
- i) SBAs may not represent themselves as an employee of Surge365 Global or as the corporate headquarters nor may an SBA use any non-compliant verbiage in the title of any Social Media page or domain address.
- j) SBAs must disclose their first name and identify themselves as an Independent Marketing Representative or Independent Surge365 Global SBA should they be making a post with regard to Surge365 Global or while acting as a Surge365 Global SBA. Anonymous postings or the use of an alias is not permitted.
- k) The Company name may only be used when followed by Independent Representative (for example: James Johnson, Surge365 Global Independent Representative).
- l) SBAs must ensure postings are truthful, accurate and professional. Misleading, deceptive or false postings are prohibited.
- m) SBAs shall not communicate with anyone who places a negative post against the SBA, another SBA or Surge365 Global.
- n) SBAs may post approved images of Membership and/or Vortex Customer pricing only. Surge365 Global approved savings images are available on the corporate blog site at <http://wavebreak.surge365.com/category/surge365approved/>. The Company reserves the right to request posts be taken down which the Company deems as inappropriate and which may, in the sole discretion of the Company, compromise or damage the reputation of the Company. Offending SBAs will be subject to disciplinary action and/or termination. You agree that you will immediately take down a non-compliant post and/or site at the request of the Company. Appeals should be directed to the email address set forth in the policy addressing dispute resolutions. The company provides the following guidelines for endorsements and testimonials: “Endorsements must reflect the honest opinions, findings, beliefs, or experience of the endorser. Furthermore, an endorsement may not convey any express or implied representation that would be deceptive if made directly by the advertiser.” Although SBAs may not consider their individual stories or testimonials to be endorsements, the new Guidelines would suggest otherwise. Under the new guidelines, an endorsement is defined as any advertising message (including verbal statements, demonstrations, or depictions of the name, signature, likeness or other identifying personal characteristics of an individual or the name or seal of an organization) that would imply it is the opinion, experience, belief or finding of a party other than the sponsoring advertiser. Please report violations of the Social Media guidelines to the Surge365 Global Compliance Department via email to Compliance@Surge365.com.

3.8 - DOMAIN NAMES AND E-MAIL ADDRESSES

The term "sales, advertising and training materials" includes but is not limited to; written, audio, video, CD and DVD presentations, as well as Company logo apparel and merchandise. SBA understands that unauthorized use or duplication of the Company's, its affiliated companies' and third parties' names, marks, sales, advertising and training materials or copyrighted materials is a violation of federal and/or state law, the Agreement, and may result in termination of the Agreement. Each of the Company's and its affiliated companies' names, trademarks and service marks ("Proprietary Marks") and copyrighted materials are owned by the respective Company and/or their affiliated companies. The use of the Proprietary Marks and copyrighted materials must be in strict compliance with the Agreement. Each SBA acknowledges that any right to use the Company's Proprietary Marks and copyrighted materials is non-exclusive, and the Company has the right and sole discretion to grant others the right to use such Proprietary Marks and copyrighted materials. Each SBA expressly recognizes that, as between such person and the Company, any and all goodwill associated with the Proprietary Marks and copyrighted materials (including goodwill arising from each SBA's use) inures directly and exclusively to the benefit of the Company and is the property of the Company, and that, on expiration or termination of these Policies and Procedures, no monetary amount shall be attributable to any goodwill associated with SBA's use of the Proprietary Marks or copyrighted materials. 3.13 - BONUS BUYING PROHIBITED

Bonus buying is strictly and absolutely prohibited. "Bonus buying" includes: (1) the registration of individuals or entities without their knowledge (2) the fraudulent registration of an individual or entity as an SBA or Vortex Owner; (3) the registration or attempted registration of non-existent individuals or entities as an SBA or Surge365 Global Vortex Owner ("phantoms"); (4) purchasing the Company's products or services on behalf of another SBA or Vortex Owner, or under another SBA's Customer's I.D. number; (5) purchasing excessive amounts of goods or services that cannot reasonably be used or resold in a month; and/or (6) any other mechanism or artifice to qualify for advancement, incentives, prizes, commissions or bonuses that is not driven by bona fide products or services purchased by end user consumers.

3.14 - BUSINESS ENTITIES

A corporation, limited liability Company (LLC), partnership or trust (collectively referred to in this section as a "Business Entity") may apply to be a Company SBA by submitting its Certificate of Incorporation, Certificate of Organization, Partnership Agreement, trust documents, FEIN/TIN (where applicable), or other organizational documents requested by the Company (these documents are collectively referred to as the "Entity Documents") to the Company, along with a properly completed Business Entity Registration Form. When an SBA registers, the Entity Documents, Business Entity Registration Form must be submitted to the Company within thirty (30) days of the request by the Company (If not received within the thirty (30) day period,

the SBA Agreement shall automatically terminate.).. To prevent the circumvention of any portion of Section 4, if an additional partner, shareholder, member, or other Business Entity affiliate is added to a Business Entity, the original applicant must remain as a party to the original SBA Application and Agreement. If the original SBA wants to terminate his or her relationship with the Company, he or she must transfer or assign his or her business in accordance with Section 4.7 below. If this process is not followed, the business shall be canceled upon the withdrawal of the original SBA. All bonus and commission checks will be sent to the address of record on the original SBA. Please note that the modifications permitted within the scope of this paragraph do not include a change of sponsorship. The Company may, at its discretion, require notarized documents before implementing any changes to an SBA business. Please allow thirty (30) days after the receipt of the request by the Company for processing.

3.15 - CHANGES TO A BUSINESS ENTITY

An SBA's business may change its status under the same sponsor from an individual to a partnership, LLC, corporation or trust, or from one type of entity to another. There is a \$25.00 fee for each change requested, which must be included with the written request and the completed SBA Application and Agreement and Entity Documents. Such changes shall be processed only once per year and must be submitted by November 30th to become effective on January 1st of the following year. In addition, SBAs operating their businesses utilizing a Business Entity must notify the Company of the addition or removal of any officers, directors, shareholders, managers, members or business associates of the business entity.

3.16 - CHANGE OF SPONSOR

To protect the integrity of all Marketing Organizations and safeguard the hard work of all SBAs, the Company prohibits changes in sponsorships. Maintaining the integrity of sponsorship is critical for the success of every SBA and Marketing Organization. Accordingly, the transfer of an SBA business from one sponsor is not permitted.

Exception: Requests for change of sponsorship must be submitted via U.S. Postal Mail or email to SponsorChange@Surge365.com, and must include a very serious reason for the transfer.

Transfers will only be considered in this specific circumstance:

In cases in which the new SBA is enrolled by someone other than the individual he or she was led to believe would be his or her sponsor, an SBA may request he or she be transferred to another organization with his or her entire Marketing Organization intact. All requests for transfer alleging fraudulent enrollment practices shall be evaluated on a case by case basis and must be made within thirty (30) days from the date of registration. The SBA requesting the change has the burden of proving he or she was placed beneath the wrong sponsor. In cases wherein the appropriate sponsorship change procedures have not been followed and a second business is developed by an SBA, the Company reserves the sole and exclusive right to determine the final disposition of the Marketing Organization. Resolving conflicts over the proper placement of a downline which has developed under an organization that has improperly switched sponsors is often extremely difficult. Therefore, SBAs waive any and all claims against the Company that relate to or arise from the Company's decision regarding the

disposition of any marketing organization which develops below an organization that has improperly changed lines of sponsorship.

3.17 - UNAUTHORIZED CLAIMS - INDEMNIFICATION

SBA is fully responsible for all of his or her verbal and written statements made regarding the Company's products, services, and the Compensation Plan which are not expressly contained in the official Company's material. SBAs agree to indemnify the Company, its parents, subsidiaries and affiliates, employees and the Company's directors, officers, shareholders, employees, and agents, and hold them harmless from any and all claims, demands, liabilities, losses, damages, costs or expenses, liability including judgments, civil penalties, refunds, attorney fees, investigation costs, court costs, or lost business incurred by the Company resulting from or in any way connected with, directly or indirectly, SBA's activities as an SBA, including SBA's unauthorized Representations or actions, breach of the terms of the Agreement, or violation or failure to comply with any applicable federal, state or local law or regulation. The Company shall have the right to offset any amounts owed to SBA hereunder against the amount of any commission, bonuses or other amounts owed to SBA from the Company. This provision shall survive the termination of the SBA Agreement.

3.18 - INCOME OR LIFESTYLE CLAIMS

When registering prospective SBAs or selling Vortex Ownerships, the SBA may not make income claims or earnings Representations to demonstrate the inherent power of network marketing. Because the Company's SBAs do not have the data necessary to comply with the legal requirements for making income claims, an SBA, when presenting or discussing the Company's opportunity or Compensation Plan to a prospective SBA, may not make income projections, income claims, or disclose his or her own income (including the showing of checks, copies of checks, bank statements, or tax records.) unless in compliance with Section 3.19 "Income Disclosure Statement".

3.19 - INCOME DISCLOSURE STATEMENT

In an effort to conduct best business practices, Surge365 Global has developed the Income Disclosure Statement ("IDS"). The Surge365 Global IDS is designed to convey truthful, timely, and comprehensive information regarding the income that Surge365 Global SBAs earn. In order to accomplish this objective, once Surge365 Global has been operating for longer than 6 months, an IDS statement will be published in the SBA back office.

3.20 - COMMERCIAL OUTLETS

SBAs may not sell the Company's services or products from a commercial outlet, nor may SBAs display or sell the Company's services, products or literature in any retail or service establishment.

3.21 - TRADE SHOWS, EXPOSITIONS AND OTHER SALES FORUMS

SBAs may display and/or sell the Company's products at trade shows and professional expositions. Before submitting a deposit to the event promoter, SBAs must contact the Compliance Department in writing for conditional approval (by email at

Compliance@Surge365.com), as the Company's policy is to authorize only one SBA business per event. Final approval will be granted to the first SBA who submits an official advertisement of the event, a copy of the contract signed by both the SBA and the event official, and a receipt indicating that a deposit for the booth has been paid. Approval is given only for the event specified. Any requests to participate in future events must again be submitted to the Compliance Department. The Company further reserves the right to refuse authorization to participate at any function which it does not deem a suitable forum for the promotion of its products, services, or the Company's opportunity. Approval will not be given for swap meets, garage sales, flea markets or farmer's markets as these events are not conducive to the professional image the Company wishes to portray.

3.22 - CONFLICTS OF INTEREST

The Company's SBAs are free to participate in other multilevel or network marketing business ventures or marketing opportunities (collectively "network marketing") that are not in conflict with the Company's P&P. However, during the term of this Agreement, SBAs are prohibited to register the Company's SBAs, or Surge365 Global Vortex Owners for any other network marketing business and if that situation occurs are liable to disciplinary actions as set forth in Section 9.1 Following the cancellation of an SBA's Agreement, with the exception of an SBA who was personally sponsored by the former SBA, a former SBA may not recruit any of the Company's SBAs, Surge365 Global Vortex Owners, or Vortex Customers for another network marketing business. SBAs and the Company recognize because network marketing is conducted through networks of independent contractors dispersed across the entire United States and internationally, and business is commonly conducted via the Internet and telephone, an effort to narrowly limit the geographic scope of this non-solicitation provision would render it wholly ineffective. Therefore, SBAs and the Company agree that this non-solicitation provision shall apply to all markets in which the Company conducts business. SBAs must not sell, or attempt to sell, any competing programs, products or services to the Company's Surge365 Global SBAs, Vortex Owners or Vortex Customers (such as : WorldVentures, Swisshelly, Firefly, Booking, Hodo but not limited to the above mentioned). Any program, product or service in the same generic categories as the Company's products or services are deemed to be competing, regardless of differences in cost, quality, or distinguishing factors. If an SBA is engaged in another direct selling program, it is the responsibility of the SBA to ensure that his or her Company's business is operated entirely separate and apart from any other program in which the SBA participates. To this end, the following must be adhered to:

- a) The SBA shall not display the Company's promotional materials, sales aids, products or services with or in the same location as any other network marketing Company's promotional materials, sales aids, products or services including personal websites.
- b) The SBA may not offer the Company's opportunity, products or services to prospective or existing Surge365 Global SBAs or Vortex Owners in conjunction with any other network marketing Company's program, opportunity, product or service.
- c) The SBA may not offer any other network marketing Company's opportunity, products, services, or opportunity at any Company meeting, seminar or convention, or within twelve hours and a fifty (50) kilometers radius of the Company's event. If the Company meeting is held telephonically or via the Internet, any other network marketing Company's meeting must be at

least two hours before or after the Company's meeting, and on a different conference telephone number or Internet web address from the Company's meeting. Downline Activity Reports are available for SBA access and viewing at the SBA's Back Office. Access to online Downline Activity Reports is password protected. All Downline Activity Reports and the information contained therein are confidential and constitute proprietary information and business trade secrets belonging to the Company. Downline Activity Reports are provided to SBAs in strictest confidence and are made available to SBAs for the sole purpose of assisting SBAs in working with their respective Marketing Organization in the development of their Company business. SBAs should use their Downline Activity Reports only to assist, motivate, and train their downline SBAs. The SBA and the Company agree that, but for this agreement of confidentiality and nondisclosure, the Company will not provide Downline Activity Reports to the SBA. A SBA shall not, on his or her own behalf, or on behalf of any other person, partnership, association, corporation or other entity.

d) Solicit any Surge365 Global SBA, Vortex Owner, or Vortex Customer listed on any Downline Activity Report or in any manner attempt to influence or induce their business relationship with the Company.

Upon demand by the Company, any current or former SBA will return the original and all copies of Downline Activity Reports to the Company. If a SBA attempts to cross recruit Company's other SBAs or Vortex Owners to a competing network marketing entity utilizing contacts gained from the proprietary information contained in the Company's Downline Activity Reports, the SBA agrees that for each occurrence of a documented attempt (i.e. e-mail solicitation, recorded phone call, letter, personalized brochure or business card) liquidated damages will be due the Company in the amount of \$10,000 per person, per occurrence.

3.23 - TARGETING OTHER DIRECT SELLERS

The Company does not condone SBAs specifically or knowingly targeting the sales force of another direct sales Company to sell the Company's products or to become SBAs for the Company, nor does the Company condone SBAs' solicitation or enticement of Vortex Owners of the sales force of another direct sales Company to violate the terms of their contract with such other Company. Should SBAs engage in such activity, they bear the risk of being sued by the other direct sales Company. If any lawsuit, arbitration or mediation is brought against an SBA and/or the Company alleging that the SBA engaged in inappropriate recruiting activity of its sales force or customers, (i) the Company will not pay any of SBA's defense costs or legal fees, nor will the Company indemnify the SBA for any judgment, award, or settlement and (ii) SBA shall indemnify and hold Company and its parents, subsidiaries, or affiliates and its and their officers, directors, employees and agents harmless from and against any such claim, obligation, demand, lawsuit, arbitration, mediation, loss, damages or costs, including attorneys' fees, cost of defense or cost of settlement.

3.24 - CROSS SPONSORING

Actual or attempted cross sponsoring is strictly prohibited. "Cross sponsoring" (sometimes called Cross Lining) is defined as the registration or attempted registration of an individual who, or entity that, already has a current Surge365 Global SBA or Vortex Ownership Agreement on file with the Company, or who has had such an agreement within the preceding four (4)

calendar months, within a different line of sponsorship. The use of a spouse's or relatives name, trade names, DBAs, assumed names, corporations, partnerships, trusts, Federal ID Numbers, fictitious ID numbers or any other artifice to circumvent this policy is strictly prohibited. SBAs shall not demean, discredit or defame other Company's SBAs in an attempt to entice another SBA to become part of the first SBA's Marketing Organization. If Cross Sponsoring is discovered, it must be brought to the Company's attention immediately. The Company may take disciplinary action against the SBA who changed organizations and/or those SBAs who encouraged or participated in the Cross Sponsoring. The Company may also move all or part of the offending SBA's Marketing Organization to his or her original Marketing Organization if the Company deems it equitable and feasible to do so. However, the Company is under no obligation to move the Cross Sponsored SBA's Marketing Organization, and the ultimate disposition of the organization remains within the sole discretion of the Company. SBAs waive all claims and causes of action against the Company arising from or relating to the disposition of the Cross Sponsored SBA's Marketing Organization.

3.25 - ERRORS OR QUESTIONS

If an SBA has questions about or believes any errors have been made regarding commissions, bonuses, Downline Activity Reports, or charges, the SBA must notify the Company in writing within sixty (60) days of the date of the purported error or incident in question. The Company will not be responsible for any errors, omissions or problems not reported to the Company within sixty (60) days.

3.26 - GOVERNMENTAL APPROVAL OR ENDORSEMENT

Neither federal, provincial, nor state regulatory agencies approve or endorse any direct selling or network marketing companies or programs. Therefore, SBAs shall not Represent or imply the Company or its Compensation Plan has been "approved," "endorsed" or otherwise sanctioned by any government agency.

3.27- HOLDING APPLICATIONS OR ORDERS

SBAs must not manipulate registrations of new applicants and purchases of services or products.

3.28 - IDENTIFICATION

All SBAs are required to provide their valid ID information depending on which market they have signed up in. Such examples are a valid, Government issues ID number, Social Security Number ("SSN"), Social Insurance Number (SIN), or a valid Federal Employer Identification Number ("FEIN") to the Company on the SBA Application and Agreement. Upon registration, the Company will provide a unique Identification Number by which he or she will be identified. This number will be used to place orders, and track commissions and bonuses. The failure of an SBA to supply a valid SSN or FEIN shall result in immediate dismissal.

3.29 - INCOME TAXES

Each SBA is responsible for paying local, provincial, state and federal taxes, where applicable, on any income generated as an Independent SBA.

3.30 - INDEPENDENT CONTRACTOR STATUS

SBA's are independent contractors, and are not purchasers of a franchise or a business opportunity. The Agreement between the Company and its SBA's does not create an employer/employee relationship, agency, partnership, or joint venture between the Company and the SBA. SBA's shall not be treated as an employee for his or her services or for federal, provincial or state tax purposes. SBA is not an employee of Company and is not entitled to workers' compensation, unemployment benefits or any other employee type benefit from Company or by virtue of his or her SBA status with Company. The SBA has no authority (express or implied) to bind the Company to any obligation. Each SBA shall establish his or her own goals, hours, and methods of sale, so long as he or she complies with the terms of the SBA Agreement and applicable laws. The name of the Company and other names as may be adopted by the Company are proprietary trade names, trademarks and service marks of the Company. Use of the Company name on any item not produced by the Company is prohibited.

3.31 - SBA'S NAME

All SBA's may list themselves as an "Independent Surge365 Global SBA" in the white or yellow pages of the telephone directory under their own name. No SBA may place telephone directory display ads using the Company's name or logo. SBA's may not answer the telephone by saying the Company name, or in any other manner that leads the caller to believe he or she has reached corporate offices of the Company.

3.32 - INTERNATIONAL MARKETING

It is the SBA's responsibility to adhere to the specific Policies and Procedures of their country or territory. SBA's are authorized to sell the Company products and services, and register Surge365 SBA's or Vortex Owners only in the countries in which the Company is authorized to conduct business, as announced in official Company literature. The Company's products or sales aids cannot be shipped into or sold in any other foreign country. SBA's may only distribute the Company's printed sales aids only in their home country. In addition, no SBA may, in any unauthorized country: (1) conduct sales, registration or training meetings; (2) register or attempt to register Surge365 Global SBA's or Vortex Owners; or (3) conduct any other activity for the purpose of selling the Company's products, establishing a Marketing Organization, or promoting the Company opportunity.

3.33 - CONFIDENTIALITY

"Confidential Information" means any and all information the Company designates as being confidential or which, under the circumstances surrounding disclosure, would reasonably be expected to be or should be treated as confidential. Confidential Information includes, without limitation, SBA customer lists and data, information relating to genealogical or downline Reports, pricing, technical information, research, development, procedures, algorithms, data, designs, know-how, the marketing or promotion of any of the Company's products or services, the Company's business policies, practices or operations, information received from others that the Company is obligated to treat as confidential and information regarding the Company's respective parents, subsidiaries and affiliated agents.

Confidential Information also includes commercial secrets, trade secrets, supplier commission percentages and related information, and any internal information of the Company.

Confidential Information is proprietary and confidential to the Company. It is provided to the SBA in strictest confidence.

a) Lists and data are for the limited use of the SBA to facilitate training, support and to further the SBA's business only. Each SBA agrees that the use of the Company's Surge365 Global SBA or Vortex Owner customer lists or other lists or data constitutes a nonexclusive license between the SBA and the Company for the SBA's limited use thereof, as more fully set forth below.

b) Lists, data and information relating to Surge365 Global SBAs, Vortex Owners or Vortex Customers remain, at all times, the exclusive property of the Company and must be returned to the Company upon request. An SBA receiving such a list, data or information, whether from the Company or from another source, agrees:

i) To limit the use of a list to the intended scope of the list and to exclusively advance an SBA's business.

ii) To hold confidential and not disclose any portion thereof to any third party, including, but not limited to; existing SBAs, competitors, and the general public. Any use or disclosure of lists, outside of those authorized, constitutes misuse, misappropriation, and a violation of the Agreement, and will cause irreparable harm to the Company.

iii) That, upon any violation of this section, the SBA agrees (1) the Company, shall be entitled to in addition to any other rights and remedies available to the Company at law or in equity, injunctive relief, enjoining such use under applicable national or local law, and (2) he or she will retrieve and return to the Company all existing lists previously provided to the SBA.

iv) That intended or unintended misuse of a list, data or information may be cause for termination of a SBA.

v) That the obligations under this section will survive the termination or expiration of the Agreement.

c) The Company reserves the right to pursue all appropriate remedies under applicable federal, state or local laws to protect its rights to the Confidential Information, proprietary information and trade secrets of the Company, and any failure to pursue such remedies in one instance will not constitute a waiver of those rights by the Company in any other circumstances. Each SBA agrees he/she will not use such lists, data or information to compete with the Company or for any other purpose other than to promote his/her Company-related business activities. Any SBA who is found to be in violation of this section may be subject to disciplinary action and, in addition to all other rights and remedies available to the Company at law or in equity, the Company may seek remedies for compensatory and punitive damages, injunctive relief exclusive of the remedies available in Section 9 below, for specific performance to the fullest extent that the law makes available.

3.34 - PROMOTION OF TAX ADVANTAGES OF AN INDEPENDENT BUSINESS

No SBA may imply that a Surge365 Global SBA or Vortex Owner may take tax deductions by being a Surge365 Global SBA or Vortex Owner based on monies spent on personal travel or by being an independent business person. No SBA may induce a prospective Surge 365 Global SBA or Vortex Owner to become affiliate with Surge365 Global based on tax advantages of being an

independent business person. A SBA may only say, “SBAs and Vortex Owners should consult a tax adviser to determine what, if any, tax deductions may apply to home based businesses.”

SECTION 4 – REQUIREMENTS

4.1 - ADHERANCE TO LAWS AND ORDINANCES

SBAs shall comply with all federal, state, and local laws and regulations in the conduct of their businesses. Many cities and counties have laws regulating certain home-based businesses. In some cases these ordinances are not applicable to SBAs because of the nature of their business. However, SBAs must obey those laws that do apply to them. If a city or county official tells an SBA an ordinance applies to him or her, the SBA shall be polite and cooperative, and immediately send a copy of the ordinance to the Compliance Department of the Company for review. In the case of joint ownership, the Company shall deal exclusively with the listed primary SBA in all matters relating to the Agreement.

Secondary applicants are still subject to all of the obligations and Policies and Procedures as set forth in this Agreement. The primary SBA applicant shall be responsible for the compliance with the Agreement by his or her secondary applicant if SBA chooses to have one.

4.2 - ONE BUSINESS PER SBA AND PER HOUSEHOLD

An SBA may operate or have an ownership interest, legal or equitable, as a sole proprietorship, partner, member, shareholder, trustee, or beneficiary, in only one business as an SBA. No individual may have, operate or receive compensation from more than one SBA business. Individuals of the same family unit may not enter into or have an interest in more than one Company business. A “family unit” is defined as spouses and dependent children living at or doing business at the same address. In order to maintain the integrity of the Company’s Compensation Plan, husbands and wives who wish to become SBAs must be jointly sponsored as one business entity. Spouses, regardless of whether one or both are signatories to the SBA Application and Agreement, may not own or operate any other Company business, either individually or jointly, nor may they participate directly or indirectly (as a shareholder, partner, trustee, trust beneficiary, or any other legal or equitable ownership) in the ownership or management of another Company business in any form.

4.3 - MARRIAGE

SBAs who choose to marry may maintain their separate SBA positions.

4.4 - DIVORCE OR DISSOLUTION

a) If married persons or partners who share ownership in an SBA business obtain a divorce or wish to dissolve their partnership, corporation or limited liability Company, the Company will continue to treat them pursuant to the controlling party being the designated primary applicant at the time of filing of a petition in a court of jurisdiction for divorce or dissolution, until such time as the Company receives written notice from both parties or an appropriate court order directing otherwise. The written notice must be signed by all parties.

b) Divorced persons or dissolved partnerships, corporations or limited liability companies must submit to the Company a certified copy of any legal judgment or decree, or jointly specify in

writing to the Company, as to ownership and/or how future commission and bonus checks should be paid.

4.5 - ACTIONS OF HOUSEHOLD MEMBERS OR AFFILIATED INDIVIDUALS

If any member of an SBA's immediate household, other than adult children, engages in any activity which, if performed by the SBA, would violate any provision of the Agreement, such activity will be deemed a violation by the SBA and the Company may take disciplinary action pursuant to the Agreement against the SBA. Similarly, if any individual associated in any way with a corporation, partnership, trust or other entity (collectively "affiliated individual") violates the Agreement, such action(s) will be deemed a violation by the entity, and the Company may take disciplinary action against the entity.

4.6 - SALE, TRANSFER OR ASSIGNMENT OF YOUR BUSINESS

Although an SBA business is a privately owned, independently operated business, the sale, transfer or assignment of such a business entity is subject to certain limitations. If an SBA wishes to sell his or her business, the following criteria must be met:

- a) Protection of the existing line of sponsorship must always be maintained so the Company's business continues to be operated in that line of sponsorship. The buyer or transferee must become qualified as an SBA. If the buyer is an active SBA, he or she must first cancel his or her original businesses and wait four (4) calendar months before acquiring any interest in the new business.
- b) Before the sale, transfer or assignment can be finalized and approved by the Company, any debt obligations the selling SBA has with the Company must be satisfied.
- c) The selling SBA must be in good standing and not in violation of any of the terms of the Agreement in order to be eligible to sell, transfer or assign an SBA's business.
- d) The sale, transfer or assignment can occur at any time after the SBA has reached the Team Leader Rank and a sale, transfer or assignment of business fee of 100.00\$ will be charged by the Company. The fee will be charged on the person the business is transferred to. Prior to selling a Company business, the selling SBA must notify the Company's Compliance Department of his or her intent to sell their business. Upon completed execution of the purchase and sale agreement, the parties must submit copies of same to the Compliance Department for review, along with the above business transfer fee. The Company reserves the right to request additional documentation that may be necessary to analyze the transaction between the buyer and seller. The Compliance Department will, in its sole and absolute discretion, approve or deny the sale, transfer or assignment within thirty (30) days after its receipt of all necessary documents from the parties. If the parties fail to obtain the Company's approval for the transaction, the transfer shall be voided at the Company's option and the business transfer fee will be returned. If the sale is allowed, the purchaser of the existing business will assume all the obligations of that position of the selling SBA. An SBA who sells his or her business shall not be eligible to re-apply as a SBA for a period of at least four (4) full calendar months after the date of the sale. No changes in line of sponsorship can result from the sale or transfer of a business.

4.7 - SEPARATION OF A SBA'S BUSINESS

The Company's SBAs sometimes operate their business as husband-wife partnerships, regular partnerships, corporations, LLCs or trusts. At such time as a marriage may end in divorce or a corporation, partnership or trust (the latter four {4} entities are collectively referred to herein as "entities") may dissolve, arrangements must be made to ensure any separation or division of the business is accomplished so as not to adversely affect the interests and income of other businesses up or down the line of sponsorship. If the separating parties fail to provide for the best interests of other SBAs and the Company in a timely fashion, the Company will involuntarily terminate the SBA Agreement. During the divorce or entity dissolution process, the parties must adopt one of the following methods of operation:

- a) One of the parties may, with consent of the other(s), operate their business pursuant to an assignment in writing whereby the relinquishing spouse, shareholders, partners or trustees authorize the Company to deal directly and solely with the remaining spouse or non-relinquishing shareholder, partner or trustee.
- b) The parties may continue to operate their business jointly on a "business-as-usual" basis, whereupon all compensation paid by the Company will be paid according to the status quo as it existed prior to the divorce filing or dissolution proceedings. This is the default procedure if the parties do not agree on the format set forth above. Under no circumstances will the Marketing Organization of divorcing spouses or a dissolving business entity be divided. Similarly, under no circumstances will the Company split commission and bonus checks between divorcing spouses or members of dissolving entities. The Company will recognize only one Marketing Organization and will issue only one commission check per the Company's business per commission cycle.

Commission checks shall always be issued to the same individual or entity. In the event that parties to a divorce or dissolution proceeding are unable to resolve a dispute over the disposition of commissions and ownership of the business in a timely fashion as determined by the Company, the SBA Agreement shall be involuntarily canceled. If a former spouse has completely relinquished all rights in the original business pursuant to a divorce, he or she is thereafter free to register under any sponsor of his or her choosing without waiting four (4) calendar months. In the case of business entity dissolutions, the former partner, shareholder, member, or other entity affiliate who retains no interest in the business is thereafter free to register under any sponsor of his or her choosing without waiting four (4) calendar months. In either case, however, the former spouse or business affiliate shall have no rights to any SBAs in their former organization or to any former retail customer. They must develop the new business in the same manner as would any other new SBA.

4.8 - REGISTERING SBAs

All active SBAs in good standing have the right to register others into the Company. Each prospective Surge365 Global SBA and Vortex Owner has the ultimate right to choose his or her own Sponsor. If two SBAs claim to be the Sponsor of the same new SBA or Vortex Owner, the Company shall regard the first registration as controlling.

4.9 - SUCCESSION

Upon the death or incapacitation of an SBA his or her business may be passed to his or her heirs. Appropriate legal documentation must be submitted to the Company to ensure the

transfer is proper. Accordingly, an SBA should consult an attorney to assist him or her in the separation of a will or other testamentary instrument. Whenever a business is transferred by a will or other testamentary process, the beneficiary acquires the right to collect all bonuses and commissions of the deceased or incapacitated SBA's Marketing Organization provided the following qualifications are met. The successor(s) must:

- a) Complete and execute an SBA Agreement.
- b) Comply with terms and provisions of the Agreement.
- c) Meet all of the qualifications for the deceased or incapacitated SBA's status.

Bonus and commission checks of a business transferred pursuant to this section will be paid in a single payment once the transaction has been completed.

SECTION 5 – ONGOING RESPONSIBILITIES OF SBAs

5.1 - CHANGE OF ADDRESS OR TELEPHONE

To ensure timely delivery of products, support materials, and commission checks, it is critically important that the Company's files are current. Street addresses are required for shipping marketing materials as UPS cannot deliver to a post office box. SBAs planning to move must update their personal information via the SBA's Back Office or send their new address and telephone numbers to the Company's Corporate Offices to the attention of the Customer Support Department as applicable. To guarantee proper delivery, two weeks advance notice must be provided to the Company on all changes.

5.2 - NON-DISPARAGEMENT

The Company wants to provide SBAs with the best products, compensation plan, and service in the industry. Accordingly, the Company values your constructive criticisms and comments. All such comments should be submitted in writing to the Customer Support Department by email to Support@Surge365.com. To best serve you, the Company must hear from you. While the Company welcomes constructive input, negative comments and remarks made in the field by SBAs about the Company, its products, or Compensation Plan serve no purpose other than to dampen the enthusiasm of the Company's SBAs. For this reason, and to set the proper example for their Marketing Organization, SBAs must not disparage, demean, or make negative remarks about the Company, other Company's SBAs, the Company's products, the Compensation Plan, or the Company's directors, officers, or employees. Any such remarks may result in Disciplinary Sanctions.

5.3 - REPORTING POLICY VIOLATIONS

SBAs observing a Policy violation by another SBA should submit a written Report of the violation directly to the attention of the Company's Compliance Department at the Corporate Office address. Details of the incidents such as dates, number of occurrences, persons involved, and any supporting documentation should be included in the Report. Alternatively, these Reports may be emailed into the Compliance Department by submitting a statement documenting the names and facts involved to Compliance@Surge365.com.

5.4 - VENDOR CONFIDENTIALITY/COMMUNICATIONS

The Company's business relationships with its marketing alliances, vendors, suppliers, Company associates or former employees within or outside the corporate workplace are confidential, proprietary, and not to be circumvented by either the SBA or the vendor. An SBA shall not contact, directly or indirectly, or speak to or communicate with any Representative of any supplier or manufacturer of the Company except at a Company sponsored event at which the representative is present at the request of the Company or as otherwise expressly permitted in writing by the Company. Violation of this regulation may result in termination of the SBA and possible claims of damages against the SBA and/or the vendor. Questions regarding any of these businesses should be directed to the Compliance Department. SBAs shall not negotiate with vendors or suppliers in any industry on behalf of the Company, including, but not limited to, attempting to negotiate with any vendor or supplier for broker's fees, finder's fees or any other fees for arranging a possible transaction between the vendor and/or supplier and the Company.
